Summary of Change

Updates for Summer SERIES – 2018... changes denoted in *BLUE* text

GENERAL RULES

A contestant or member may be disqualified from any or all rodeos, receive a no-time in an event, or be reprimanded for any of the following rule violations: (NEW Rules changes for 2014/2015 are in **BLUE shaded text**)

1. Falsification of name, age, signature of parent or failure to comply with rules.
2. All members and parents are responsible for knowledge of these rules. Rule changes made during the season will be communicated to the membership before implementation. Rule changes must be communicated before the beginning of the first rodeo for which the changes will apply.
3. Any unsportsmanlike conduct, failure to follow the code of conduct or harassment by either a parent or contestant may result in loss of points for the rodeo in which the incident occurred and disqualification from the remainder of the rodeo. Entries in future rodeos after such an incident will be at the discretion of the Board of Directors. Should a decision be made by the board of directors to suspend family members due to a contestant or parent's conduct the contestant or parent will be informed in writing. The parent may appeal the decision to the board through the appeal process set forth in these rules.
4. Birth Certificate required for all new members. No money or prizes will be released without a certificate on file.
5. In order to change positions because more than one contestant is riding the same horse the contestant must indicate this on each entry blank. There is no guarantee this change will be made, the order will be as it appears in the draw.
6. NO alcoholic beverages allowed in the arena during the rodeo.
7. The same judges/flagmen/timekeepers will be used throughout the entire age group of an event unless the judge/flagman/timekeeper is excused because of sickness or emergency. Exceptions may be made if sufficient timekeepers are not available to work an entire event.
8. There are no walk-up entries. In the event there is a circumstance that is approved by the board and warrants a walk up entry, the entry will be added to the end of the draw for poles, cloverleaf, and straights and will be added to the beginning of the draw for goats and all roping events.
9. *Members must work one (1) event **per CHILD** at each rodeo they attend. Junior and Senior contestants may work for themselves or have an adult work for them. A buy out may be made of \$25 per work point. Peewee contestants may have an adult work for them. A contestant found to have not obtained a work point for a rodeo will ONLY be allowed to BUY these points at \$25 a point. Work Points CAN NOT BE MADE UP! It is not*

the responsibility of L.S.Y.R.A. to inform the member that he or she does not have a work point. Signing up to work and not appearing to actually work will not result in a work point. Failing to sign up to work an event prior to the member completing his/her events for the day is not an excuse for not obtaining work points. Members should only sign up for their 1 event so others can obtain their necessary work points, however, this does not mean the Association does not want and appreciate contestants and parents helping beyond their required work points. Failing to obtain a work point for a rodeo may result in loss of points earned for that rodeo by a member. All work points requirements must be met by October 28,2018 in order to receive year end awards.

10. Abuse of livestock may be cause for disqualification and possible loss of membership. If a director witnesses a member, parent, or non member abusing livestock at any time during the weekend the director may report to the board of directors and the board of directors may levy a fine of up to \$25.00 per instance of abuse. In instances where a contestant receives a no-time for dragging or abusing livestock, the Board of Directors may levy a fine up to \$100.00 per incident. Fines may be withheld from the contestant's winnings. Any unpaid fine must be satisfied within 14 days of notification or the member will forfeit his or her membership. Non members will not re-enter until their fine is paid.
11. Non-members may compete in any scheduled rodeo, except for the final weekend rodeos and must complete a non-member release and provide a copy of their birth certificate. Non-members must pay a \$10.00 permit fee for each rodeo entered. The birth certificate may be provided after the rodeo but any pay-out due the non-member will be held until the birth certificate is received by the rodeo secretary. If the birth certificate is not provided within 30 days after the rodeo the pay-out will be forfeited. Non-members must obtain a work point. Failure to receive a work point may result in a forfeiture of any winnings for that rodeo.
12. Contestants schooling their horse during an event (e.g. repeating a broken pattern or making a training run after the pattern is complete) may be fined \$25.00 per occurrence. A contestant completing a pattern slowly is NOT considered schooling the horse. Contestants with an unruly horse that causes difficulty entering the arena or roping box should inform the judge prior to the beginning of that event.
13. Any protests must be submitted in writing to the board with a payment of \$250 for review. Upon review if the protest is upheld, the protest fee will be refunded. If the protest is denied LSYRA will retain the protest fee. A judge's call cannot be protested. The board will set a meeting as soon as practical to review any protests received, rodeo will not be stopped to review/decide on a protest. A protest may be reviewed by three or more board members as a protest committee. Judge's decision is final.
14. Photos and Photographers

Any participant who enters or otherwise attends a Lone Star Youth Rodeo event, any official or

11. Adhere to the rules forbidding the use of alcohol in the arena area during rodeos.

2. If a tie still remains, the greater number of second placings will determine the tie breaker.

3. If a tie still exists after procedure 1 and 2, the number of third placings and subsequent placings through tenth place will be used to break the tie.
4. If there is still a tie after all placings have been exhausted, the next tie breaker will go to the contestant with the most points based on their placing in the average of each event. If a tie still remains, the placing for prizes will be determined by a drawing.
5. In the event two or more contestants have identical times in an event, placing will be combined and points and prize money split.

EVENT RULES

4. No reruns due to tack or personal equipment failure.
5. A contestant will receive a no-time for breaking the pattern. If a contestant breaks the pattern, under no circumstance is the contestant to restart their run – they are to finish the patter where they are or exit immediately.
6. In cases requiring a rerun, contestants will have the option to rerun immediately or after the last contestant in that age group. Speed event drags will occur after each five (5) runs. Drags will not take place between age groups unless five runs (5) runs have been made since the last drag. A drag will take place between pee-wee and junior goat tying. The judge may call for drags between other classes in goat tying if arena conditions require.

9. Questions about a judge's call or other issues regarding a contestant's run should be addressed to the event director immediately. No contestant, parent, guardian, or trainer may question a judge or time keeper while an event is going on. Questions may only be directed to a judge after an event is complete. A contestant, parent, guardian, or trainer may explain his or her position to the event director or clarify a situation to a judge at the proper time and place. The event director may act on the complaint, deny the complaint or refer the complaint to the board of directors for further consideration. However, if the contestant, parent, guardian, or trainer is using abusive language or does not use good judgment in time and place, the judge or director should, at that time, inform them that any further action will lead to disqualification and forfeiture of fees. The judge's call is final and cannot be protested.

7. If a barrel/barrels are knocked down during a run, the horse's four feet must go around the original location of the base of the barrel/barrels that are knocked down. The contestant should return the ribbon to the judge after the run is complete.
4. The contestant will ride to the goat and dismount without assistance. The contestant must pull the ribbon from the goat's tail and cross the finish line with all or a portion of the ribbon. If the goat does not have a ribbon for any reason, the contestant should pull hair from the goat's tail and cross the finish line with the hair.
5. A ten second penalty will be received if the contestant's horse comes into contact with or crosses the plane of the rope and/or goat while the contestant is still mounted. For the purposes of this rule the contestant will be considered "mounted" until both of the contestant's feet are on the ground.
6. An adult or a junior or senior contestant may act as a holder to catch and hold the horse for the contestant to dismount but the holder may not touch the contestant and the contestant must dismount without direct assistance. Touching the contestant by the holder will result in a no time.

GOAT TYING

1. Goat shall be staked 100 feet from the start line with a rope ten feet in length and the goat holder will hold the goat straight back from starting line. Holder will release goat and step straight back when the contestant crosses the start line.
2. The contestant must be mounted and must ride from start line to goat, dismount, throw goat by hand (if goat is down when contestant reaches it, the goat must be cleared of ground) and tie any three legs together with a leather string, pigging string, goat string or rope. Legs must be crossed and tied to qualify as a legal tie. Contestant must tie the goat by hand with no pre-made wraps, coils, knots, hooeys or half hitch. There will be one or more wraps, a half hitch or a secure knot. Once the contestant signals his/her tie is complete, he/she may NOT again touch the goat or the tie. If the contestant does go back and touches the goat or tie it will result in a no-time. Contestants engaging in unnecessary roughness during their run or after signaling for a time will receive a no time.
3. Contestant must step away from the goat at least three (3) feet for the six (6) seconds tie time to begin. If the goat does not remain tied for six seconds, the contestant will receive a no-time.
4. Goat will be changed every five (5) contestants and between Junior and Senior classes. A scratch or no show will NOT move the position of the draw for the goat. In the case of a no show, the goat will be tied.
5. A ten second penalty will be received if the contestant's horse comes into contact with or crosses the plane of the rope and/or goat while the contestant is still mounted. For the purposes of this rule the contestant will be considered "mounted" until both of the contestant's feet are on the ground.
6. All walk-up goat tiers will be placed at the beginning of the runs for each class and will tie a separate designated "walk-up" goat.

2. Contestant will be responsible for providing someone to push his/her own stock, if desired.
3. If an animal escapes from the arena, the flag will be dropped and timer watches stopped. Contestant will get animal back with lap and tap start and time all ready spent will be added to time used in qualifying. If time is not recorded, the decision of the flagman/judge will be final.

4. If roper does NOT ask for calf he/she must stop horse as soon as possible without throwing the rope and a re-run will be given. If contestant throws rope a time will be given and the run will be considered complete.
5. If roper is fouled by the barrier, he/she must stop horse as soon as possible without throwing rope and a re-run will be given. If contestant throws rope a time will be given and the run will be considered complete.
6. Horse must be moving out of the box to be a legal catch; horse cannot stand still.
7. Roper is allowed one loop unless second rope is carried.
8. The back gate will be open.
9. Stock will be chute run. The board reserves the right to draw stock at any time if the board determines that to be necessary. Any instances of a parent or other person attempting to pick specific stock for a competitor or intentionally releasing stock before stock is called for will result in a no time. The judge or event director's decision on this will be final. Repeat instances may result in loss of points for the year and possible loss of membership. If calf or steer is accidentally released the contestant will receive a rerun.
10. Roping Stock – Crippled stock will be culled.
11. Muggers and/or parents are NOT allowed to haze cattle. It will be at the discretion of the director to haze cattle and if necessary it will be done for all contestants.
